New Business:

Roundtable Minutes: Submitted in writing. Training has been recommended for new scouts parents. Currently all of the ASM do not have sons in the troop.

Quartermaster’s Report. No update.

Merit Badge Counselors Report: No updates.

Activities Chair Report: Todd is going to take over this position, but he will need to back off on mentoring. Winter cabin camping was moved to February 3-5, 2012, because the rifle range is in use February 10-12. Still need to get a place to canvas for Scouting for Food, which should be in early April in 2012.

Publicity Chair: Barb is asking for Pre-WOR pictures. Michael will take pictures at WOR.

Advancement Report: Troop talked about the new “reserve” scout position. It is for scouts that age out time. There have been registration problems for adults. John will send out an email about rechartering dues. Several scouts are making advancements.

Eagle Advisory: Chris turned in his paperwork for his project. Alex made contact with Renee about taking over Langston’s project. Renee has Langston’s project book and is going to provide it to Alex.

High Adventure Chair: Timberline is set for January 20-22, 2012. At the meeting we had 6 adults and 5 scouts registered. We should still be able to add people. Friends are welcome but need to pay in full. If friends are minors, they need an adult to be responsible for them. Todd and Dale mentioned that the Venture Crew will be doing Jack Frost/ Big Boulder after Christmas December 26-28(29). The troop could not get thing arranged for Seabase, because dates filled. At this time we have no high adventure program scheduled for this summer. Gary was asked to come up with some activities and present them to the scouts.
