Todd:

Sorry for lateness - I forgot to put e-mail together and send to you. Hopefully not too late.

I have reserved the Rockville Park pavillion for the August court of honor. Hopefully it will not get changed out on us again this year.

Upcoming events are the We Remember on May 27. Need to establish to make sure the Scouts know who, what, when and where tonight.

Still looking for an alternative to the Beach Camping destination. Otherwise, fallback plan is the same place we went last year. Not a bad place, but something different would be nice. If anyone has any ideas, let me know.

Look forward to returning at the end of Baseball season or the next rainy Tuesday night.

Regards,,

Padraic
